HOA PERMISSION OF ATTACHMENT

I am the president of the HOA or have the authority to give permission to AWI Networks (American Wireless, Inc) to provide service by installing an antenna system on the building of the address listed below. If I have any restrictions or limitations for the installation, they will be listed below. I understand what is involved in providing wireless internet service to this address and I further understand that ALL equipment installed is to remain the property of AWI Networks. Customer understands that permission to have antennas, hardware, holes drilled, or any other installation process is required at time of install. Any relinquishment of permission by the HOA or falsification which results in a disconnect of service within **45 days** of install will result in a reimbursement of installation fee of \$100.00 by the subscriber.
