

Landlord Permission Form

DEAR PROSPECTIVE AWI NETWORKS CUSTOMER,

Congratulations on your decision to sign up for AWI Networks service! You have made the best choice in internet service in Southern Utah, and we are confident you will be thrilled with the service. *To ensure you have a smooth installation experience, if you do not own the residence in which you intend to install your Internet System, we ask that you obtain landlord approval prior to any installation. Installation of AWI Networks equipment may involve modifications to the residence. While these modifications are often minor, standard professional installation sometimes times includes drilling holes in order to run cable and attach equipment securely to the outside of the structure. You should carefully review your lease agreement to determine if you have the right to make such modifications. If landlord approval is required, please request that the landlord, or its authorized representative, complete section 1 below to acknowledge authorization for the installation and provide this signed form to the AWI Networks technician at the time of installation. In the alternative, if the landlord verbally gives you permission or if landlord approval is not required pursuant to your lease or rental agreement, please complete section 2 below.* The signed installation permission form releases AWI Networks from any liability related to damages your landlord may claim as a result of an alleged violation of your lease/rental agreement as it relates to the installation of AWI Networks Internet System. Should your landlord only approve the installation subject to special requirements that make the actual install more expensive (or exceeds what AWI offers as part of its standard professional installation), you will be asked to pay a corresponding charge, to be agreed upon by you and your installer, for the additional services. In addition, please remember that technical issues may still prevent installation of your internet system. Though this is rare, challenges such as poor line-of-sight to the satellite, or inadequate mounting availability, can prevent installation of the internet system.

PLEASE COMPLETE SECTION 1 or 2 BELOW (please print)

Section 1:

I, _____ (landlord of AWI customer), hereby authorize
 _____ (name of tenant/AWI customer) to install internet
 equipment at _____. (tenant address)

x _____
 Signature of landlord/authorized landlord representative

x _____
 Date

Section 2:

Installation of an AWI Networks Internet system at _____
 (address) has been verbally approved by my landlord or approval is not required pursuant
 to my lease or rental agreement.

x _____
 Printed Name of AWI Customer

x _____
 Signature of AWI Customer

x _____
 Date
